***IN HONOR OF
MICHAEL McDERMOTT
Coach, Teacher & Mentor***

On July 14, 2019, the Kings Park and Smithtown Communities experienced a tragic and senseless loss. Michael McDermott, a talented Kings Park Teacher, Middle School Soccer Coach, Junior Varsity High School Baseball Coach, was killed in a hit and run crash while going out for a jog which was something he loved to do. He leaves behind a wife and 3 young children.

Michael McDermott was a mentor to so many children in the community, therefore, Kings Park Youth would like to honor the extraordinary man with your help. Kings Park Youth would like to sponsor the dedication of the JV Baseball field at the Kings Park High School, the Michael McDermott Field, in his memory. The field can also use some TLC which Michael showed often to his students and athletes.

Kings Park Youth is a non-profit organization with all board members and coaches being volunteers. KPY is asking for donations to help us achieve our mission. No donation is too small. We hope you will consider supporting a great cause and honoring an “authentically extra” man.
