AAA through Mickey Mantle:

Division-wide drafts will be held.

Coach Pairings (requests)

KPY encourages every parent to consider volunteering as a manager, coach, team parent or in any other capacity. The more volunteers assisting a division or team the better experience we can provide the kids. However, in order to insure each team has adequate coaching, maintain fairness and be able to create proper team rosters, a maximum of two volunteers requesting to be paired as a manager and coach will be considered for each team. All other volunteers will be assigned a team based on the team their child is assigned to.
